MESSAGE FROM THE PRESIDENT - WORLD POLICE & FIRE GAMES

On behalf of the Board of Directors of the World Police and Fire Games Federation, it is my great honor and privilege to welcome you to the 2023 Winnipeg World Police and Fire Games. As athletes, you are truly our greatest asset, and we could not accomplish what we do without your support!

Since 1985, the Games have worked to promote both the physical and mental well-being of Police and Fire Service professionals around the World. And new this year, we have included many of our non-sworn partners to join us in this great event. The WPFG provides a competitive and social environment to encourage and pay homage to the camaraderie among first responders, through sports. For many of our participants, bonds established at this event have lasted a lifetime as athletes return to the Games in the spirit of both competition and friendship.

As our second post-pandemic Games, the Winnipeg Host Committee continues to follow all health directives and recommendations. The importance of maintaining your physical and psychological health is our highest priority. As you plan your trip to Winnipeg, know that the Winnipeg Host Committee is doing all they can to keep our participants, families and spectators safe and healthy throughout these games.

I encourage you to take advantage of everything the Host Committee has planned for these Games. I wish you good luck with your events and look forward to seeing you in Winnipeg!

MESSAGE FROM THE PREMIER

On behalf of all Manitobans, I am pleased to welcome you to the 2023 World Police and Fire Games. Our province is excited to host this incredible event, welcoming people from around the world to enjoy everything Winnipeg has to offer.

The 2023 World Police and Fire Games is the largest sporting event ever hosted by the province of Manitoba. Featuring more than 8,500 athletes representing law enforcement, firefighters, and police officers from more than 50 countries, the Games are a celebration of our frontline heroes from every corner of the globe.

Our government is proud to be a strong supporter, providing \$4.9 million towards hosting the Games in Winnipeg. Competitive sport has the unique ability to bring people together as athletes and spectators. I commend the World Police and Fire Games for everything they have done to bring thousands of visitors to Winnipeg from all over the world, adding significant investment to our local economy.

Thank you to all the organizers, staff, and thousands of volunteers for making the 2023 World Police and Fire Games a reality. I join my fellow Manitobans in extending a warm welcome to all those attending, and I wish the many athletes all the best as they compete.

MESSAGE FROM THE CHAIR & COO

Athletes, Family and Friends of the WPFPG,

We are honoured to welcome you to Winnipeg, Manitoba, located in the geographic centre of Canada. We know our community is ready to welcome you and show why we are known as “Friendly Manitoba”. While here, we wish you all the best in your competitions and hope you and your family have an amazing time exploring our beautiful city and province.

Explore Winnipeg’s historic downtown Exchange District, or The Forks: a national historic site where for more than 6,000 years Indigenous people used this location as a meeting place or take a trip into the surrounding wilderness of our province. We know that Manitoba has something for everyone: from polar bear watching and kayaking with beluga whales in Churchill, to fishing in one of our 100,000 lakes or relaxing with friends around the campfire in Riding Mountain National Park. When in Winnipeg, you can experience the Assiniboine Park Zoo and see the polar bears up close and personal, or check out our nationally recognized museums like Qaumajuq Inuit Art Centre, The Canadian Museum for Human Rights and the Manitoba Museum.

The best time to visit our province and city is in July and August because of the hot days, warm nights and plenty of sunshine. The Games’ opening ceremony on July 28 will kick off the festivities that Winnipeggers and athletes alike will remember for years to come.

From frontline to finish line, Winnipeg is ready, our volunteers are ready and our venues are ready! We are so pleased and honoured to welcome you to Winnipeg for the 2023 World Police & Fire Games.

Sincerely,

Chad Swayze,
Chair, WPFPG 2023 Host Society

PRIORITY OF RULES

The World Police & Fire Games Federation Rules shall supersede all other rules. STANDING IN SUPPORT OF UKRAINE

Nov 15, 2022

The 2023 World Police and Fire Games Host Organizing Committee will immediately suspend Russian, Belarusian and Iranian athletes for participation in the Games.

The Board of Directors of the 2023 World Police & Fire Games (WPF 2023) Host Organizing Committee, in consultation with the World Police & Fire Games Federation, has taken the step to pause the relationship with Russia, Belarus and Iran and immediately suspend their participation in the Games, including any other country who chooses to join forces with the Russian aggression against Ukraine.

The World Police & Fire Games is a large international, multisport event held every two years that showcases athletic competitions for law enforcement, firefighters, corrections officers and eligible first responders from more than 55 countries. The 2023 WPF 2023 joins other sport governing bodies and people from around the globe by calling for an immediate cessation of this aggression and praying for those affected by these violent actions being taken by Russia.

The upcoming WPF 2023 Games will run from July 28 to August 6 in Winnipeg.

"Our board and staff are pleased to receive this important direction in consultation with the WPF 2023 Federation in this necessary action and unanimously support the decision," said Chad Swayze, Chair of the Board of the WPF 2023 Host Organizing Committee. "Collectively, we condemn the violence and express our deepest sympathies to the victims and hope that peace will prevail very soon."

PROCEDURES FOR COMPETITOR ENTRY

PLEASE NOTE: EARLY ENTRY IS HIGHLY RECOMMENDED: Entries are accepted on a "first come, first served" basis.

SPORTS ENTRY FORM

Each individual or team member must complete the online Sports Entry Process, a signed Release of Liability and Acknowledgement of Rules & Regulations Form (During the process) and pay Sport Entry Fees.

SPORTS ENTRY FEE

Competitors may use Visa or MasterCard to pay the Sport entry Fees. Contact the organization if a credit card cannot be used. All Sport Entry Fees are payable to the World Police and Fire Games in U.S. Funds. All checks, bank drafts and money orders shall be drawn on a U.S. bank only.

EXCEPTION: Canadian checks indicating U.S. funds need not be drawn on a U.S. bank but must indicate U.S. funds on the check. No other form of payment can be accepted (no "money grams" or similar).

There is a Registration Fee (outlined below) which all competitors shall pay once no matter how many events are entered

December 1, 2022 – April 30, 2023
\$140 USD

May 1, 2023 – July 14, 2023
\$165 USD

July 15, 2023 – End of Games
\$180 USD

Each event also has an associated cost, the Sports Fee. Most events are \$35 USD, but

some are more because they cover such things as the green fees in Golf, or the official's expenses in the lifting competitions. Add the sport Fees and Registration Fee to determine the total Entry Fees to be paid.

BANK/WIRE TRANSFERS

Due to high bank charges, which are the responsibility of the competitor, sending Sports' Entry Fees by wire transfer for groups of LESS THAN 10 PERSONS is discouraged. You may request the necessary banking information for a wire transfer by contacting the WPFG Federation in San Diego.

MAKE SURE TO CLEARLY IDENTIFY FOR WHOM THE FEES ARE INTENDED. The name and contact information of at least one competitor MUST accompany the transfer notice.

CONFIRMATION OF RECEIPT

You will receive an automatic receipt/confirmation that shows the amount paid and events entered. This confirmation relates only to the receipt of your entry.

ENTERING THE GAMES ONLINE

Athletes using a Credit Card are encouraged to use the WPFG Federation's Online Entry system, FuseSport. Access to Online Entry is available through the WPFG website at www.wpfg.org or the Host website at www.wpfg2023.com.

AGE RULES

Age is determined as of the first day of the Games (July 28, 2023). A competitor in the 30+, 40+, or 50+ division may elect to compete in a younger division as long as this is indicated on the original Sports Entry Form or indicated during online entry. This alternative is not available to late entries. In all Individual events in Track & Field (including Decathlon), Swimming and Golf, competitors will compete only in the age division of their actual age. Other sports such as weight sports have restrictions on how many age divisions a competitor may drop; review individual sport rules.

In Team events (including Doubles), eligibility to compete in any age division is determined by the age of the youngest team member.

When adding an acceptable event at any time after Bracketing is complete, you must compete only in the age category of your actual age.

DUPLICATE EVENT ENTRIES

A competitor may enter only one age, skill or weight division in any one event.

A competitor may enter only one Doubles event with only one partner in any sport.

EXCEPTION: One same-gender Doubles and one mixed Doubles event may be entered.

A competitor may be on only 1 team in any sport. Some exceptions apply. See sports synopsis under each sport for details.

DEFINITIONS

TEAM EVENT: Any event in which 3 or more persons compete against a mutual opponent is considered a Team event. A “Unisex” team may consist of all men, all women or any combination thereof. A “Mixed” or “Co-Ed” team has one or more members of both genders. See the Sports’ Information section for specific details for each Team event.

TEAM MEMBERS: Each player on the team shall complete a Sport Entry Form and indicate the full FIRST & LAST NAME of the TEAM CAPTAIN in the appropriate space on the form. If entering online, select the team captain’s name from the drop down list of captains.

TEAM CAPTAINS: Each Team event requires a named competitor as Team Captain. Changes to team make-up are allowed until the Team Captain’s Meeting or competition begins in that particular sport. A Final Team Roster shall be presented prior to the beginning of competition. This usually occurs at the Team Captain/Coaches Meeting.

Among the Team Captains other duties:

1. Attend the Captains/Coaches meeting prior to competition and distribute pertinent information to the team;
2. Assume responsibility for the team's punctual attendance at designated times and venues of competition;
3. Be available to Sport coordinator and officials before, during and after play to make decisions on behalf of the team and to receive information and officials' rulings that affect play or the team's progress throughout the tournament;
4. Be responsible for recording and filing written protests within 8 hours of the perceived violation;
5. Be available to represent the team in case of appeals, protests or other inquiry by the Host or WPFGE.

NON-PLAYING COACHES: The following sports allow one (1) Non-Playing Coach per team:

Basketball (3x3 and 5x5)
 Dodgeball
 Dragon Boat
 Field Lacrosse (2 allowed)
 Ice Hockey
 Muster
 Rugby 7s
 Soccer (indoor and outdoor)
 Softball
 Tug of war
 Volleyball-Indoor (6-Person Team)

The WPFGE recognizes two categories of Non-Playing Coaches, **Sworn** and **Non-Sworn**. A Non-Playing Coach may be either gender regardless of the makeup of the team. Both categories of Coaches must submit a Sports Entry Form and sign a Waiver. Both categories of Coaches may accompany their teams to all venues available to the teams. Both categories of coaches must pay the Registration Fee in

effect at the time they enter the Games.

SWORN COACHES have the option of paying the Sport Fee and will be eligible to receive a medal should the team medal.

NON-SWORN COACHES will NOT receive a medal should the team medal. Non-sworn coaches may NOT act as the Team Captain. Non-Sworn Coaches **may** NOT march in the Parade of Athletes at the Opening Ceremony.

All Coaches', Managers' or Seconds' actions on behalf of a competitor or team will have a binding effect on that competitor or team and may affect that competitor's or team's play, status or eligibility in the WPFGE.

OTHER TECHNICAL SUPPORT PERSONNEL:

Additional personnel, such as equipment managers, team doctors, seconds in Boxing, or other non-competitors must sign a Release of Liability form prior to being allowed into the "area of competition" to assist a team or individual. Persons in this category of participation should enter as Technical Support Personnel (TSP) online, pay the fees and submit to the Host for review. Submission of an application does NOT guarantee accreditation. The Host may charge a \$75.00 USD fee to process and accredit acceptable Technical Support Personnel. The fee will be refunded if accreditation is refused.

MANDATORY MEETINGS AND ORIENTATION

In many Team events, a mandatory meeting is held for Team Captain/Coaches prior to competition. All other sports will hold an orientation to advise competitors about rules, guidelines and any changes. Some orientation meetings are mandatory. Sports with mandatory meetings are noted in this book under the sports' section. Competitors will be advised in their Confirmation Letter of

the nature of the orientation meeting for their events.

SPORT VENUE CHECK-IN

Every competitor must check-in at the sport venue before competing each time he/she returns to the facility for a new competition. During check-in, the competitor will show his/her Host-issued Athlete Accreditation. Failure to provide these credentials will prohibit participation until this requirement is satisfied. Competition will not be rescheduled or delayed if the competitor does not have their Athlete Accreditation.

In all team sports that allow a Non-Playing Coach, a Credentials Official will be present at each venue and is responsible for verifying that players are properly identified and accredited. At check-in or before each game, it is the responsibility of each team's coach/captain to ensure that the Credentials Official is presented with the credentials of all team members on the roster that are present and playing in that game. The credentials will be returned immediately after each game unless there is cause to investigate the participation of an ineligible player. Any team not fully complying will be considered playing with an ineligible player and therefore forfeits the game.

CHANGES AND ADDITIONS BY COMPETITORS

Onsite entries (at sport venues) are prohibited. Proper entry procedures must be followed in all cases. Competitors that have not properly registered may NOT form teams at the competition venue.

COMPETITORS REQUEST FOR CHANGES

Competitors shall NOT add or change event classes or age divisions which were not offered. Once competition in an event begins, no substitutions, changes or additions can be made. In Push-Pull Lifting and Bench Press, once the Games begin, no age category changes will be allowed.

ADDING LATE TEAM MEMBER(S)

Generally, teams may add late entry team members to their Roster, to the maximum specified, until the Captain/Coaches' meeting for their sport. If needed, Team Captains will submit a Revised Team Roster at that meeting, noting any changes/additions.

NO ENTRY OR CHANGES ONCE COMPETITION BEGINS

In all sports/events, once competition begins in an event, the Host shall NOT accept a new entry, substitution, or event addition/change in that event. A person may NOT enter after competition begins merely because he/she is listed on a Team Roster. In Team events, a person who is duly-entered in that event (submitted entry & fees) and is listed on the Team Roster, but is not able to actually register and become accredited until after the competition begins in that event, will be allowed to play on that team.

HOST CHANGES OR CANCELLATION OF EVENT

Changes consistent with World Police & Fire Games Federation rules such as times, dates

and locations may be necessary in conducting various events. The 2023 World Police & Fire Games Host and WPFPG Federation reserve the right to make such changes.

Any sport or event may be canceled by mutual agreement between the Host and WPFPG. The Host shall initiate steps to notify all entrants and return appropriate fees. If an event is canceled by the Host, and an alternative event is not available, entrants will be notified at least two weeks prior to any competition and the Entry Fees refunded. (Refer to the Refund Policy).

SUBSTITUTIONS

Requests for substitutions in Team and Individual events are honored when made in a timely fashion by the person or entity who paid the original entrant's Sports Entry Fees. In Team sports, the Team Captain may request a substitution. For Individual sports, the overall coordinator for the substituted person's agency may also request a substitution. [NOTE: This rule does not apply to events which have established a "Waiting List"; see "Participant Limits"]

A completed Sports Entry Form and signed Release of Liability for the substitute and any required additional fees must be submitted. The substitute shall meet the same requirements as the original entrant. All substitutions must be completed prior to the start of any competition in that event. The Team Captain shall submit a Revised Team Roster, noting all changes to team make-up, at the Captains/Coaches meeting for that sport.

It is the responsibility of the substitute and/or Team Captain to request the substitution far enough in advance of the actual competition to allow the Host time to meet its responsibilities.

SPORT DIVISIONS

WPFPG uses two basic systems to divide the larger team events into divisions.

"A", & "B" (& "C") Divisions: These categories are normally formed during preliminary competition in that event and are based strictly on the individual's or team's performance. (Note: There are a few sports where "A", "B", etc. have different criteria, as in Bowling. See sport rules.)

Divisions I & II: These are pre-registered categories. The team sports/events offering Division I and Division II categories are identified in the respective sport rules.

JOINT PARTICIPATION (Combined Agency Doubles or Team Play)

Competitors from any eligible agencies may combine to form Doubles and/or Teams, regardless of agency size or service WITHIN A COUNTRY. Retired competitors may combine to form Doubles or Teams in any manner they wish with other eligible competitors from any agency(ies). This includes across country lines or whether any other member of the Doubles or Team is actively employed or retired.

POOLING (Draw for Partner or Team)

The following team sports are specifically **EXCLUDED** from Pooling:

Basketball (5 x 5)
Ice Hockey
Rugby 7s
Soccer (indoor & outdoor)
Softball (except Women's Open)
Volleyball – Indoor (6 Person Team)

A competitor who has entered a sport in the Singles/Individual competition, but who does not have a partner/team for the Doubles or Team event, may request to be placed in a competitors' "pool" for draw of a partner/

team. To do so, enter the event, pay the event fees and check the column on the Sports Entry Form or the check box if entering online, which indicates that you do not have a partner/team. WPFPG will make every effort to satisfy a "pool" request, however, it cannot be guaranteed. Therefore, anyone entering a pooled event must be entered into another non-pooled sport/event in the Games.

In Basketball 3x3, Cross Country (Team), Dragon Boat, Karate (Team), Half Marathon (Team), Triathlon and TCA competitors may enter the pool for a partner or team as long as they are entered in another sport in the Games.

A request for a specific partner in the pool will **NOT** be honored. Pooling is conducted by the WPFPG Federation only. Once formed by pooling, Doubles and Teams will not be allowed to alter their makeup to exclude a pooled member. If a late entry enters a Doubles or Team event which has already been completed by a "Pool" entry, that late entry shall not take the place of the "Pool" entry. The late entry may enter the "Pool" and be assigned to a Doubles Team/Team, if possible.

After the Bracketing Committee has approved the sports' brackets, no further pooling requests will be accepted. Competitors who have entered a pool, but were not teamed during bracketing, may be substituted on a previously entered, eligible team, which has lost a member for legitimate reasons before competition begins. If the previously entered team elects to accept a substitute from the pooled entrants' available, selection shall be made by "random" drawing.

BRACKETING/ SCHEDULING

If only one person/team enters any event, that person/team will be combined in the next most

reasonable category of the sport.

EXCEPTIONS:

1. Competitor Option in Changing Divisions: Entrants have the option NOT to be combined as stated above. To exercise this option, the entrant must so indicate in the appropriate area on the Sports Entry Form or tick box if entering online.
2. Single Entrant: In Individual event where an opponent is not needed for actual competition, if only one person enters and cannot be combined or that person elects not to be combined, the event will be scheduled. In all event requiring weigh-ins, where only one person enters, the event will be scheduled. Push-Pull Lifting and Bench Press classes require only one entrant to hold the event. Top scoring event in shooting sports, which cannot be combined, may be conducted even though only one competitor is entered.

Any event scheduled by the Bracketing Committee will be held and medals awarded regardless of the number of competitors that show. If only one competitor actually shows for an event, he/she may participate in that event for a guaranteed First Place medal, or the competitor may elect to give up the guaranteed medal and move to a younger age (or heavier weight) division to compete.

TEAM AND DOUBLES EVENT:

In sports which allow "Pooling", at the time of the Bracketing Meeting if the minimum number of players to field a team have not submitted Sports Entry Forms and paid the fees, the Bracketing Committee may complete the team by assigning "pool" players. Potential team members who attempt to enter after the Entry Deadline may be unable to join the team.

Please note: There is no guarantee that a team

will be scheduled to compete if the minimum number of competitors have not entered the Games by the online entry system or by submitting a Sports Entry Form and paying the Sport Entry Fees by the entry deadline or prior to the time the sport reaches capacity.

INDIVIDUAL MEN'S, WOMEN'S & UNISEX EVENT

Men and women shall compete against each other except in sports where separate Men's and Women's events are offered. EXCEPTION: Women and men may NOT compete against each other in contact sports.

During the Bracketing Meeting, if an age division cannot be combined within the same gender to create a competition, that division may be combined with the same or younger division of the opposite gender which has, or makes, two or more entrants.

SEEDING

In events where teams are seeded, the criterion for seeding a team is 50% or more of the players on the team must be returning players from the team that played in the last WPFPG.

BRACKETING WEIGHT SPORTS

In all weight class sports, competitors will weigh-in before the event. Entrants must enter their estimated weight class and attempt to make weight; however competitors will be bracketed according to their actual weight at weigh-in. (Bracketing/Scheduling "Exceptions" apply; see above.)

BRACKETING DEADLINES

Teams must be created and have the minimum number of players on the team by June 15, 2023. Players can be added to the roster after that date.

UNIFORMS

The following markings are permitted on attire worn during competition:

1. Agency, Association and team identification
2. Brand name manufactured onto uniform
3. Competitor's name
4. Tasteful advertising in a rectangular area not to exceed 10cm x 22cm (4" x 9"). The advertising may be either silk screened or embroidered and shall be a color complimentary to the uniform

Other attire worn by competitors (warm ups, jackets, hats, etc.) may display additional advertising and logos. Any uniform or other attire worn or displayed by any participant must be in good taste and in keeping with the good name of the WPFPG, Host and represented service agencies. Violations may result in expulsion from WPFPG venues and/or disciplinary action. Contact the Federation Headquarters in San Diego if you are unsure about the type of advertising allowed.

MEDALS

Medals will be awarded for 1st through 3rd place in all events and shall be presented as soon as possible after the conclusion of each event.

COMPETITOR CONDUCT REQUIREMENTS

Intimidation: Competitors shall not intimidate or attempt to influence a Sport Coordinator or Sport Officials regarding rule changes. Taking

a vote of competitors or otherwise obtaining a consensus of competitors' wishes to make rule changes is not allowed.

Late Competitors & Scheduling: Competition will adhere to scheduling as published, or referred to, in the Confirmation Letter. Sports, events, games and/or matches will not be delayed to accommodate late competitors. Some sports have grace periods in the rules. The Host shall adhere to those rules.

Unsportsmanlike Conduct: Unsportsmanlike conduct will not be condoned during, before or after competition. Any behavior that brings discredit upon the WPFPG, or represented service agencies in general will not be tolerated. Any physical or verbal assaults on officials, competitors, spectators, coordinators, volunteers or ex-officios will meet with immediate and the severest of penalty. Unsportsmanlike conduct of non-competitor represented service agencies or other supporters may reflect on their competitor associates and the continued participation of that individual or team.

Alcohol & Drugs: Competitors are prohibited from consuming alcoholic beverages during competition and alcoholic beverages are prohibited from the field or area of competition. Controlled substances are prohibited from being used unlawfully by any person associated with the WPFPG. No participant may compete in any WPFPG sport/event "under the influence" of alcohol or a controlled substance. If such a condition is suspected, the participant shall be removed from competition and an immediate inquiry shall be conducted by the Host.

Unlawful Activity: All persons who are associated with the WPFPG shall abide by all Local, State and National laws that apply to those in attendance at the WPFPG. Unlawful activity during this time will result

in disqualification from competition and/or in the reporting of the activity. This and any other unlawful activity may result in exclusion from all future WPFPG event.

Gambling: No gambling of any kind will be permitted during the WPFPG.

Cheating and Sandbagging: Cheating and Sandbagging is prohibited. "Sandbagging" is the term used to define the intentional efforts of a competitor in a sport divided into skill levels to gain an advantage by competing in a lower skill level than he/she belongs. Example: Intentionally submitting or omitting scores that determine Handicap in Golf that unjustly raises the Handicap.

PROTESTS AND APPEALS

PROTESTS: All protests must be lodged with the Sport Coordinator or his/her designee immediately after the violation. If the protest cannot be resolved by the coordinator, the competition will be allowed to proceed under protest. The protest shall then be submitted in writing to the WPFPG Federation within 8 hours of the initial protest. If the presentation of awards is affected by the possible results of the protest, the awards shall be withheld pending the WPFPG decision. All decisions by the WPFPG Federation are final, unless appealed as outlined below.

APPEALS: When any action is taken against a competitor in the Games that is of such a nature that the need for such action is not immediate, the recipient is entitled to a hearing before the WPFPG Federation prior to action being taken. Competitors in such a situation will be given written instructions on how to appeal.

ADMISSION CHARGES

There will be no charge to any spectator for any World Police & Fire Games sporting event.

IMPORTING FIREARMS INTO CANADA

SUBJECT TO CHANGE. Please refer to the www.WPFG2023.com website regularly for links to up-to-date information.

Possession of firearms and ammunition is strictly regulated in Canada, as is the importation of firearms from outside Canada. All athletes, regardless of profession, must comply with Canadian firearms laws and regulations.

INTERNATIONAL ATHLETES:

SUBJECT TO CHANGE. Please refer to the www.WPFG2023.com website regularly for links to up-to-date information.

If Canadian firearms law or regulations conflict with the international sport rules for any of the shooting competitions, Canadian law prevails.

Do not bring personal firearms into Canada.

Firearms can only be imported into Canada for a valid purpose, such as a registered sporting competition, and the type of weapon that can be imported is limited.

NO PROHIBITED FIREARMS, WEAPONS OR DEVICES CAN BE IMPORTED INTO CANADA. Prohibited firearms may be seized and forfeited. See: S. 84 Criminal Code of Canada

Handguns with a barrel equal to or less than 105 mm in length are prohibited in Canada, and you will not be allowed to import such a firearm into Canada, even for the purposes of the sporting competition.

Automatic firearms, whether or not they have been altered to discharge only one projectile with one pressure of the trigger, are prohibited in Canada, and you will not be allowed to import such a firearm into Canada, even for the purposes of the sporting competition. As a

general rule, the maximum magazine capacity permitted is:

- 5 cartridges for most magazines designed for semi-automatic, centre-fire long guns;
- 10 cartridges for most handgun magazines.

Magazines that exceed this capacity are prohibited by virtue of the Criminal Code of Canada and cannot be imported into Canada.

Possession of a large capacity magazine that has been permanently altered so that it cannot hold more than the number of cartridges allowed by law, is legal in Canada. The Criminal Code Regulations describe acceptable ways to alter a magazine. It is illegal to import unaltered large capacity magazines.

- Restricted firearms include:
 - Handguns that are not prohibited firearms;
 - Firearms that:
 - o Are not prohibited firearms,
 - o Have a barrel less than 470 mm in length,
 - o Are capable of discharging centre-fire ammunition in a semi-automatic manner
 - Firearms designed or adapted to be fired when reduced to a length of less than 660 mm by folding, telescoping or otherwise, and
 - Firearms of any other kind prescribed to be restricted in the Canadian Regulations.

See [s. 84 Criminal Code of Canada](#).

As soon as you enter Canada, report immediately to the Customs Officer to declare regulated items (including firearms, magazines, and ammunition). Provide photo identification and proof of registration in shooting competitions at the WPFG 2023. You must complete the Non-Resident Firearm Declaration ([Form RCMP 5589](#)). The form may be completed - in English or French - prior to arrival in Canada and must be provided, along with the \$25 CAD fee, to the Customs Officer upon arrival in Canada. [RCMP Forms](#)

If you are importing restricted weapons, devices or firearms - which includes most police service pistols - you must apply for an Authorization to Transport ([Form RCMP 5490](#)) from the Chief Firearms Officer for the province or territory in which you are entering Canada. This must be done in advance of your arrival in Canada.

Transportation and storage of firearms must comply with all firearms laws and regulations. WPFG 2023 will NOT be responsible for storage or transport of firearms for any athletes.

International competitors are not authorized to carry in a holster, or in a ready-for duty condition, any type of firearm or other regulated object, unless on a WPFG range.

For further information regarding Canadian requirements for legal storage and transportation of firearms, see [Justice Canada website](#).

CANADIAN ATHLETES:

Carrying your service firearm is subject to Canadian law and regulation, and the policy of the Agency that employs you.

Do not bring personal firearms to the WPFG 2023. If you do, you are required to carry your Possession and Acquisition Licence, and your registration certificate for each non-restricted firearm.

Storage of firearms must comply with all firearms laws and regulations. WPFG 2023 will NOT be responsible for storage or transport of firearms for any athletes.

Athletes travelling by air must declare at check-in that they are carrying an unloaded firearm in their checked luggage. Ammunition must be in its original packaging and also included in checked luggage.

For further information regarding Canadian requirements for legal storage and transportation of firearms, see [Justice Canada website](#).

Please see our [Pistol & Rifle FAQ](#) and our [Shotgun FAQ](#).

The Winnipeg 2023 Medical Team welcomes all competing athletes to the 2023 World Police & Fire Games. The safety and wellness of our athletes is our number one priority. To ensure that you have a safe and enjoyable trip, the Winnipeg 2023 Medical Team would like you to understand the following:

TRAVELER’S INSURANCE

The Winnipeg 2023 World Police & Fire Games Medical Team highly recommends traveler’s insurance and medical evacuation insurance to all athletes and their families. Traveler’s and medical evacuation insurance are a way to help protect you and your family while traveling abroad. There are many different insurance companies that offer these plans. If you cannot find one that covers your region or country, please contact your local embassy for recommendations.

MEDICAL CARE

The Winnipeg 2023 World Police & Fire Games Medical Team will provide a basic level of medical care during competition as well as throughout the Games. However, if an athlete is transported to a medical facility via an ambulance the financial charges will be the responsibility of the athlete. Any athlete that has experienced any duration of unconsciousness or any major medical emergency shall not be allowed to participate in any further athletic activity involving the World Police & Fire Games until acquiring a written release from an official Winnipeg 2023 Medical Team physician.

CONCUSSION & SERIOUS INJURY POLICY

A concussion is a type of traumatic brain injury that interferes with normal function of the brain. The Winnipeg 2023 World Police & Fire

Games will be enforcing a strict concussion policy for all athletes. If an athlete has a suspected concussion or serious injury they will be removed from practice/competition immediately by a member of the Winnipeg 2023 World Police & Fire Games Medical Team or the Sports Coordinator. Upon being removed from practice/competition, the Winnipeg 2023 World Police & Fire Games Medical Team will assess the athlete’s ability to return to play using the following criteria:

SYMPTOM EVALUATION • PHYSICAL EXAM

If the Winnipeg 2023 Medical Team assesses the athlete and deems them unfit for competition, due to concussion or serious injury, the athlete will be immediately suspended from play. The 2023 World Police & Fire Games Medical Team or Sports Coordinator will suspend any athlete immediately upon being made aware of a serious injury or loss of consciousness, no matter how short the duration of unconsciousness. If medical personnel are present, they will interpret the information to determine its validity, otherwise the Sports Coordinator’s personal observations or other credible evidence is required.

Any athlete that has experienced a serious injury, any duration of unconsciousness, or has been diagnosed with a concussion by the 2023 World Police & Fire Games Medical team shall not be allowed to participate in any further athletic activity involving the WPFPG until acquiring a written release from an official World Police & Fire Games Medical Team physician. These policies will be strictly enforced and failure to follow these rules may result in disqualification from World Police & Fire Games competition.

MEDICAL FACILITIES

For your convenience, the Winnipeg 2023 World Police & Fire Games Medical Team will be providing a list of local medical facilities in your athlete registration bag. Copies will also be available in Athletes Village and at every venue at the medical tent/table.

VISA INFORMATION

Most WPFG athletes and visitors to Winnipeg will require a visa or an [electronic Travel Authorization \(eTA\)](#) to travel to Canada, but not both. Some people may only need their valid passport.

When you enter Canada, a border services officer will ask to see your passport and a valid visa, if you are arriving from a country for which one is required. Visit the [Immigration, Refugees and Citizenship Canada website](#) to learn more about what travel documents are required.

All international travellers must carry acceptable identification and a valid visa (if necessary) when entering Canada. A passport is the recommended form of identification because it is the only reliable and universally-accepted identification document for international travel.

International transport companies, such as airlines, must make sure that travellers have proper, valid travel documents. **If you do not have the proper documents, you may be delayed or refused entry into Canada.** What you need will depend on where you are from, how you are travelling, and what documents you are travelling with. Consult [entry requirements by country](#).

Citizens of the U.S. who are members of the;

- NEXUS program may present their membership card as proof of identification and as a document that denotes citizenship, when arriving by air (when coming from the U.S.), land, or marine modes.
- FAST program may use their cards as proof of identity when arriving by land and marine modes only.

Permanent residents of the U.S. who are members of the NEXUS or FAST programs

must travel with a passport and proof of permanent residence and may be asked to present these documents to the officer upon arrival at the border.

All visitors arriving from or transiting through the U.S. are encouraged to visit the U.S. Customs and Border Protection website for information concerning the U.S. Western Hemisphere Travel Initiative and the requirements to enter or return to the U.S.

Be prepared: Apply for an eTA before you book your flight to Canada. Most applicants get approved within minutes. However, some applications can take several days to process, so don't wait until the last minute.

ArriveCAN

The Canada Border Services Agency (CBSA) is making technology available at the border to give travellers a more modern and faster experience.

Today, [ArriveCAN](#) offers the Advance CBSA Declaration feature. This optional feature is for travellers who want to save time at certain Canadian international airports by providing their customs and immigration declaration to the CBSA in advance.

In the coming months and years, new border-related features will come online in ArriveCAN and change the border experience for the better.

It is recommended to download and use this application for quicker check in at the border.

LEGACY

The 2023 World Police & Fire Games is the second-largest sporting event in the world by participation and proudly the largest sporting event in the history of the Province of Manitoba. With an event of this scope and scale, the short-term and long-term positive impacts will be felt for years to come and spread throughout the region.

Since the bid process, the 2023 World Police & Fire Games has prioritized a legacy program to partner with youth sport organizations that focus on providing sport opportunities to low-income and Indigenous youth.

KidSport

From humble beginnings and big dreams to the National stage and even bigger. KidSport has always been about kids and sport. KidSport began as a program of Sport BC, with a goal to help families overcome the prohibitive cost of sport. Since then, KidSport has expanded across Canada, giving tens of thousands of kids each year the opportunity to participate in organized sport. All funds directly benefit low-income families to help cover the costs of sport entry fees.

MASRC

The Manitoba Aboriginal Sports & Recreation Council (MASRC) is a not-for-profit organization established in 1988 and incorporated in 1994.

They believe physical activity is a healthy and positive tool to empower and build strong and vibrant Indigenous (First Nation, Métis, Inuit) people and communities.

The MASRC is “the bridge” between existing partners in the sport and recreation delivery system and Manitoba’s Indigenous community.

The focus of MASRC is to work with

Indigenous communities, organizations and individuals to develop sustainable programs that increase opportunities for community members to participate in sport and recreation.

WASAC

The Winnipeg Aboriginal Sport Achievement Centre (WASAC) focuses on leadership and mentorship skills for Indigenous children and youth through sport, recreational, and cultural programs.

Since its inception in 1999, the Winnipeg Aboriginal Sport Achievement Centre opened its doors as a small organization with two coaches, four leaders and 40 children. Now WASAC is a registered charitable not-for-profit helping to remove barriers for thousands of children and youth annually and is one of Canada’s largest employers for Indigenous young people.

WASAC ensures that all participants have the necessary “tools” required for active participation. These “tools” remove the barriers and help provide access to support and resources.

The organization was founded by two coaches who shared a love for sports and recognized that it’s not just about speed and agility but friendships, life lessons, and memories that last forever. The goal was to embrace the pride of Winnipeg’s Indigenous children, youth and families through sport, recreation, and culture.

WASAC currently offers year-round programming for thousands of children and youth in Winnipeg and in Northern Manitoba communities.

LEGACY FUND

The 2023 World Police & Fire Games has established a Legacy Fund that will be divided equally between the three-above listed

organisations. This fund will consist of the revenues generated from the merchandise program, Athletes Village and the post Games sale of branded items. Additionally, the Legacy Fund has an initial seeding of \$150,000 that will grow with the surplus and revenues generated from the sources listed above.

A secondary element of the 2023 World Police & Fire Games is the contribution to the regional sport development for all partnered sport organisations. A combination of sport equipment, planning development and knowledge sharing will contribute to a long-term legacy of sport development and growth.

JUDGING PROCEDURE

The actual judging shall be accomplished through the following procedure:

All competitors are called back (by class) for detailed comparison. All contestants shall be compared. Standard poses shall be used for this phase, and the judges may shift the positions of the contestants to facilitate such comparisons.

At the completion of the prejudging comparison posing round, the judges will forward their choices for final competitors to the Head Judge. The choices will then be forwarded to the announcer. Each finalist will be asked to step forward to the front of the stage. These competitors will be the finalists and will be instructed to return at a pre-set time for the final's competition.

The WPFPG reserves the right to place a competitor in any category deemed appropriate. This includes individual, doubles, and team events. This decision may be recommended by the Sport Coordinator and affirmed by the WPFPG Director for Bowling or may be made independently by the WPFPG. This adjustment may be made before, during or after the competition. These decisions do not require justification and are final.

CLASSIFICATION

WPFG Classifications will be used. A competitor without an established

WPFG classification may use their official national classification card or Score

Record Book to receive an "Assigned Classification."

With an electronic and results system being used, the averages listed below will be used to establish WPFG Classification:

- Master 99.10 and above
- Expert 94.00 to 99.00
- Sharpshooter 89.00 to 93.90
- Marksman 88.90 or below

Team Classification – Teams are classified by computing the "team average" based on the classification of each firing member of the team. To compute this "team average" the key in Table No. 1 for the different classes will be used and the team total divided by the number of firing members of the team. Any fractional figure in the team average of one half or more places the team in the next higher class. The "team average" will establish classification of the team as a unit but will not affect in anyway the individual classification of team members.

- Master 4
- Expert 3
- Sharpshooter 2

COMPETITORS MEDICAL REQUIREMENTS

Prior to or during Host Registration all competitors must submit a Medical Release, signed by a licensed physician, and based on a physical exam conducted within six months of competition. This release may take the form

of a doctor's note stating the entrant's fitness to compete in a contact sport. You will not be able to compete until this requirement is met.

EVENTS

Entrants may compete in only one event in the Freestyle portion and one event in the Greco - Roman portion of this sport

You must enter in your estimated fighting weight; however, you will compete at your weight at weigh-in or the next heaviest available class.

The competitions take place by direct elimination system with an ideal number of wrestlers, i.e. 4, 8, 16, 32, 64, etc. If there is no ideal number of wrestlers in a category, qualification matches will take place.

Pairing is made in the order of the numbers drawn at random (see UWW Rules, Chapter. Article 12, for detailed methodology for the 'Drawing of Lots').

All wrestlers who lost against both finalists will have repêchage matches. There are two separated groups of repêchage: one group of wrestlers who lost against the first finalist, and another group of wrestlers who lost against the second finalist. The repêchage matches begin with wrestlers who lost in the first round including in matches to obtain the ideal number against one of the two finalists up to the losers in the semi-finals by direct elimination.

The winners of the two repêchage groups will each receive a Bronze Medal.

Each weight category begins and ends in a day. Each category weigh-in takes place the day before the beginning of the category concerned. Details shall be provided in the Confirmation Letter.

If there are less than 6 wrestlers in a weigh-in category, the Nordic round ('Round Robin') will take place.
